

Registration to Internet

Please follow the instructions below to be able to use internet at ATW student hostel:

A) Internet via LAN-cable

1. Connect your network socket and your device (desktop, laptop) with a network cable.
2. Open the internet browser. You will see the page displayed below. This page tells you that your device is not registered with our network. To continue the registration click "**Hier anmelden**".

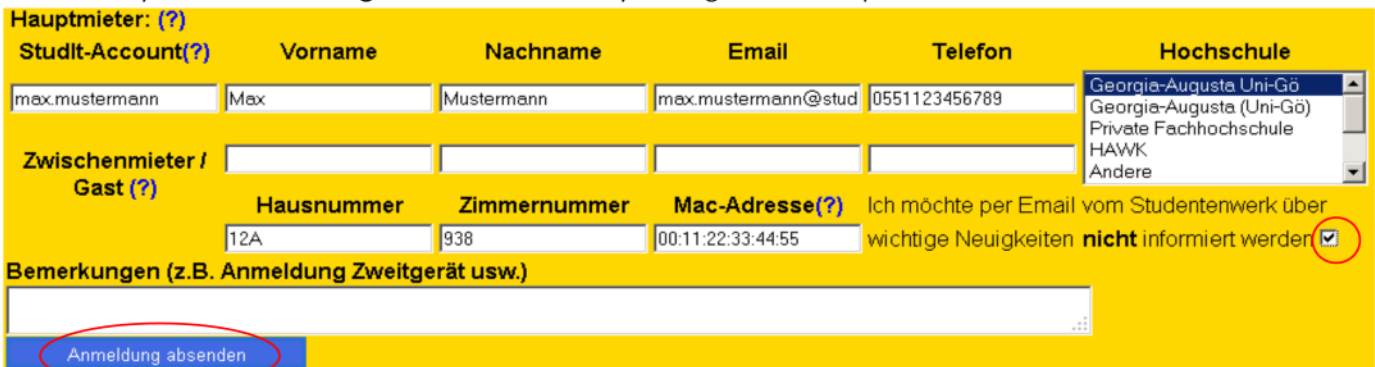

Wichtig: Für die Internetnutzung ist eine Anmeldung nötig.

Die Freischaltung erfolgt in 4 Schritten:
1 - Online-Anmeldeformular ausfüllen
2 - Sie erhalten nach ca. 10 Minuten eine Mail mit einem Freischaltlink und **vorübergehend Internetzugang**
3 - Öffnen Sie die Mail und klicken auf den Bestätigungslink
4 - Es erscheint eine Webseite. Dort "Anmeldung bestätigen" anklicken. Fertig.
Sie sind dann dauerhaft angemeldet.

Sollten Sie keine Mail erhalten, sind Sie von uns bereits dauerhaft freigeschaltet worden.

Hier anmelden

3. The following page requires you to enter your data: Please enter your first name ("**Vorname**"), surname ("**Nachname**"), and "**Email**". Also select which institution ("**Hochschule**") you belong to. For guests or secondary tenants the second row is to be filled in. Information about studIt-account and telephone is optional. Don't forget to enter additionally your house number ("**Hausnummer**") and your room number ("**Zimmernummer**"). If you do **not** like to receive emails from student council ("Studentenwerk"), please click the box below institutions. Terminatory click "**Anmeldung absenden**" to send your registration request.

Hauptmieter: (?)

| StudIt-Account(?) | Vorname | Nachname | Email | Telefon | Hochschule |
|-------------------|---------|------------|---------------------|---------------|------------------------|

| Hausnummer | Zimmernummer | Mac-Adresse(?) | Ich möchte per Email vom Studentenwerk über wichtige Neuigkeiten nicht informiert werden |
|------------|--------------|-------------------|---|
| 12A | 938 | 00:11:22:33:44:55 | <input checked="" type="checkbox"/> |

Bemerkungen (z.B. Anmeldung Zweitgerät usw.)

Anmeldung absenden

4. Check your email inbox regarding a verification message. Click on the link in the message, then click on the **verify-button** within 24 hrs of receiving the message.
Now your registration is complete. To add further devices repeat the above steps or register the device at <http://10.10.96.1:30000>

B) Wireless

To get wireless internet access, you have to be already registered for cable access (see instruction above)!

Important: Your cable access registration has to be completed **the day before!**

Wifi: registration and setup

1. Visit our homepage <http://atw.goe.net>
2. In the sidebar at "Internet im ATW" choose "W-LAN/Wireless"
3. Select "English" and scroll to link "Wifi-Registration"

Attention: Please note that configuring the wireless network depends on your operation system. On our homepage you will find how-tos for Windows, Ubuntu, Mac, iphone and Android. If you have problems setting up the wireless feel free to contact us:

Internettutorium
