

**Registration to Internet** - it **doesn't** concern *eduroam* - this network is hosted by the university (StudIT)!

Please follow the instructions below to be able to use internet at ATW student hostel:

## A) Internet via LAN-cable

1. Connect your network socket and your device (desktop, laptop) with a network cable.
2. Open the internet browser. You will see the page displayed below. This page tells you that your device is not registered with our network. To continue the registration **click "Hier anmelden"**.

Wichtig: Für die Internetnutzung ist eine Anmeldung nötig.

Die Freischaltung erfolgt in 4 Schritten:

- 1 - Online-Anmeldeformular ausfüllen
- 2 - Sie erhalten nach ca. 10 Minuten eine Mail mit einem Freischaltlink und **vorübergehend Internetzugang**
- 3 - Öffnen Sie die Mail und klicken auf den Bestätigungslink
- 4 - Es erscheint eine Webseite: Dort "Anmeldung bestätigen" anklicken. Fertig.  
Sie sind dann dauerhaft angemeldet.

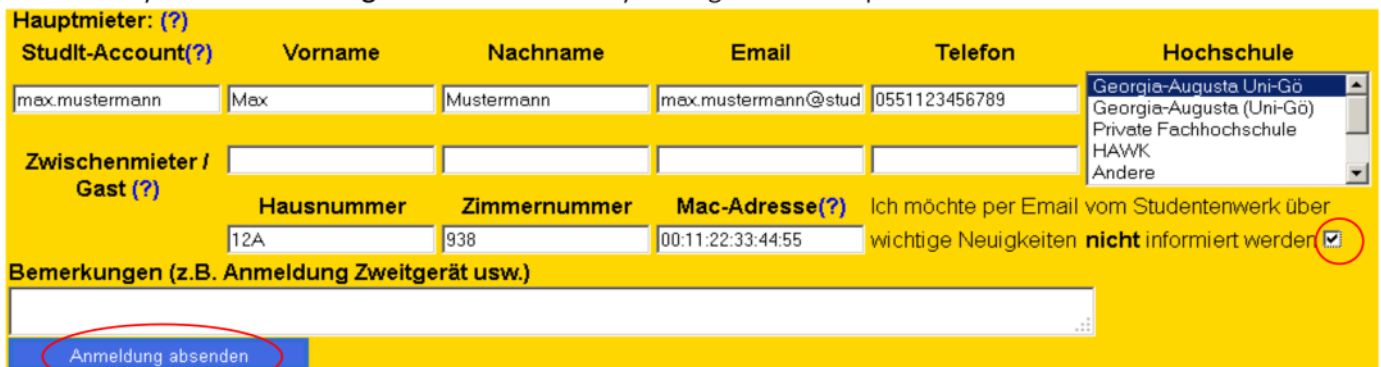

--

Sollten Sie keine Mail erhalten, sind Sie von uns bereits dauerhaft freigeschaltet worden.

## B) Wireless

To get wireless internet access, you have to be already registered for cable access (see instruction above)!

**Important:** Your cable access registration has to be completed **the day before!**

During this process the **password** is randomly generated - the internettutor will **not send** you a password via e-mail!

### Wifi: registration and setup

1. Visit our homepage <http://atw-goettingen.de>
2. In the sidebar at "Internet im ATW" choose "W-LAN/Wireless"
3. Select "English" and scroll to link "Wifi-Registration"

**Attention:** Please note that configuring the wireless network depends on your operation system. On our homepage you will find how-tos for Windows, Ubuntu, Mac, iphone and Android. If you have problems setting up the wireless feel free to contact us:
